

# Gravitational Wave Probes of Physics Beyond Standard Model

## Thursday 09 November 2023

### Topological Defects (14:00-15:40)

time	[id] title	presenter
14:00	[45] Gravitational waves from cosmic strings	KUROYANAGI, Sachiko
14:30	[46] Cosmic strings, Dark Matter, and Gravitational Wave Signatures from Pure Yang-Mills Theory	YAMADA, Masaki
15:00	[47] Generalization of the Z string and its application	KANDA, Yukihiro
15:20	[19] Gravitational Waves from Feebly Interacting Particles in a First Order Phase Transition	JINNO, Ryusuke
