

# 1st NTHU Physics - NITEP kick-off meeting

## Saturday 27 January 2024

### session 1: session 1 (16:20-17:20)

time	[id] title	presenter
16:20	[4] Quantum error correction realized by the renormalization group in scalar field theories	
16:40	[5] TBD	
17:00	[6] Machine-learning enhanced quantum state tomography and its application to the gravitational wave detectors
